Subject: Emergency Regulation Posting Requirement

Hi Kathy,

The SLO County Flood Control and Water Conservation District has posted their three year water supply estimates with backup information on the website <http://slocountywater.org/site/> under News and Information. This includes information for the Lopez Project, Nacimiento Project, and State Water Project as a wholesaler.

Let me know if you need any more information or have any questions.

Thanks,
Brian Uder
County of San Luis Obispo
Public Works Department
805-781-1186
